

## Nourishing Parfum Oil

Luxurious Parfum Oil combines perfume with skin conditioning. Silky and nourishing oil brings back skin's natural moisture levels and gives the skin a long lasting gentle scent. Meadowfoam Seed Oil is a photostable vegetable oil rich in antioxidants. It prevents moisture loss and provides an excellent cushion feeling on the skin. Due to its own high stability, it increases the stability of the product. Alphaflow® work as a hypoallergenic emollient. It is pure and non-irritating adding moisturizing benefits for the skin and lubricity to the formulation. Dedraflow® 5 is an emollient and used as replacement to cyclomethicone. It gives softness and good application benefits without any tackiness.
